

## **“How Did That Happen?” Named One of Soundview Executive Summaries’ Top 30 Business Books for 2009**

May 11, 2009 – Temecula, CA – Soundview Executive Book Summaries has announced that “How Did That Happen? Holding People Accountable for Results The Positive, Principle Way,” has been named one of the top 30 business books that they will review and provide a summary for in 2009.

“It is a great honor for How Did That Happen? to be named to this very prestigious list,” bestselling co-author Connors said. “We are very excited for the release of our new book and feel that it is very pertinent to the issues that all organizations are facing in society today.”

Soundview Executive Summaries, was founded in 1978, and identifies the year’s top 30 business books and summarizes each down to 8-pages of text and 20 minutes of audio. Throughout the years, Soundview has worked closely with the leading business book publishers of the world to offer print summaries of the thirty best business books of the year to its more than 100,000 worldwide subscribers. To visit their website and to view their summaries please visit, <http://www.summary.com/>

How Did That Happen? will be released August 11, 2009 by Portfolio books and is focused on holding others accountable and builds off the foundation laid in the bestsellers, “The Oz Principle” and “Journey To The Emerald City.” Within this volume, the authors will explain the Accountability Sequence™ model, which clearly illustrates how to hold others accountable for results in a positive, principled way. Readers will learn how to master the Why-What-When™ model of communicating expectations, along with a number of other practical tools that are easily remembered and applied.
